

We provide real Job Solutions!

Connecting employers to job seekers in: Customer Service, Retail, General Labour, Painting, Warehouse, Cleaning, Childcare, Housekeeping, Personal Support Workers, Kitchen Help, and many more industries...

PTP Job Solutions Information for Employers

Our free employment services include candidate referral, a job board, job fair hosting and resume screening – we will only send you resumes that match what you are looking for.

Our clients are committed to long-term success in your workplace. Candidates are job-ready and excited to be in the work force.

Our staff provides practical workplace solutions.

We can screen applicants, set up interviews and inform the applicant about the job requirements before they get to the interview.

How can a Job Developer help my business?

We do our best to find the person with the right skills, a great attitude and the best “fit” for your workplace. At Job Solutions, we believe job matching results in greater job retention and success in the workplace.

More benefits...

- ...consistent access to a pool of candidates who are ready to work immediately.
- ...all potential candidates are pre-screened and referred according to your requirements – saving you time and money!
- ...you can make a positive impact on your workplace and in your community by fostering a strong sense of diversity and multi-culturalism in your workplace.

Frequently Asked Questions

Must I pay to use Job Solutions’ services?

No. We are a non-profit organization. All of our services are funded by the Ministry of Colleges, Training and Universities (MCTU).

If I post a job with Job Solutions, do I have to hire one of their clients?

No. It’s up to you. The final hiring decision always remains with you, the employer. We help you expand the talent pool that you have access to.

Can I hire an employee for a “job trial” before I commit to hiring them?

Most employers have a three-month probation period. The employee can be let go at any time if they are not deemed a suitable employee for the company.

Why should I list my job with PTP?

It’s FREE and you’ll receive resumes from local, qualified people who are ready to work.

What is Job Development?

Job Development is about building effective partnerships with employers to meet the needs of both the employer and the job seeker. We do this by getting to know the needs of your company – be it over the phone, a job site tour, or over a cup of coffee.

Developing employment opportunities and job leads suitable to a client’s skills and interests.
